His Highness orders Communicated - in Govt Pro - No 11688-90 & 11th June 1907, Edn 113-06-4 make no distinction between one set of teachers & another, the benefit of the Service Regulations will have to be extended equally in the case - of the Music, Fiddle & Dulcula teachers the Weaving Master & the Rattan work Instructor, though as stated by Mr Bhabha, Similar teachers in Industrial Schools are not treated as Government Servants. The Services of the Head Master who was trained in the Deaf and Dumb Asylum at Calcutta for 8 months from January 1904 at the expense of the Palace & who is employed at Mysore on his return from Calcutta, may count towards leave & pension from the date of his appointment, as there is already a teacher on Rs 257 paid by Govt and lent to the School, the other teachers attached to the School being treated as Government Servants from the date of the order — 11th June 1907.

Which nearly covers the cost of both the teaching staff & the boarding Establishment

If only the pay of the teachers be disbursed by Govt by reducing the grant, there will be a saving of Rs 13/ which will fall short of the amount required for the Boarding Scts by Rs 4/ per mensem, but if the grant be raised by Rs 25/ being the pay of the teacher already sent as suggested by Mr Bhabha, & the Managers made to disburse ~~the salaries~~ from the funds of the School the salaries of all the teachers who will be considered as Govt Officers, no additional cost would be involved

distinctly pointed out that if the services of the Head Master be treated as pensionable the concession will have to be extended to the other teachers in the school, and that the School will become practically a post: School.

His Highness in his order appears, to me, to have accepted the increase of cost involved in the teachers being made pensionable employees, and effect will have to be given to it, unless His Highness wishes to reconsider the question in the light of the remarks made by the Inspector General (Mr. Khalka).

If effect is given to the order the salary of all the teachers will have to be paid by the State and the present grant of Rs 125, reduced by 112 Rs. The proposal of the Inspector General to increase the grant by Rs 25 and allow all the teachers to be paid by the manager cannot I think, be accepted, as it would conflict with either article 257 (2) or 264 - Final Fees)

As I understand H H's order it refers only to teachers who teach these boys to speak, read and write, rather than to teachers of music etc but I am not sure Perhaps it will be equally difficult to replace these men - But even if they are acknowledged to be first servants which appears to be H H's intention they will not be necessarily entitled to a pension unless they are also whole time servants There seems to be no information on this point I think there is great force in Mr Bhabha's argument that as similar teachers in other schools are not entitled to pension, the same concession shall not be allowed to these technical instructors in this particular school -

Submitted to His Highness

In Proceedings No 11688-90 dated 11th June 1907, the teachers of the Deaf and Dumb School, were ordered to be treated as Government servants and admitted to the benefit of the Mysore Service Regulations.

With reference to this, the Inspector General of Education has expressed the opinion that, of the 7 teachers in the school, only two, the Head master and the Assistant master, need be treated as Government servants, and that the others, viz , the music teacher, Fiddle teacher, Tabala teacher, Weaving Maistry and Rattan work Instructor, need not be treated as Government servants, as similar teachers in the Industrial School are not so treated.

The Financial Secretary, when consulted in the matter, has pointed out that even though all the teachers are treated as Government servants, they would not be necessarily entitled to a pension unless they were also whole-time servants (Vide article 244

Mysore Service Regulations). Information having been called for on this point, it is seen that only the Head master, the Assistant master and the Weaving Maistry are whole-time teachers.

The First Councillor is of opinion that the Head master and the Assistant master may be placed on the service list, the Head master being placed in class CIV (Rs50-10-100).

This may be approved. The Assistant master is already a Government servant, whose services have been lent to the school. The whole period of his employment in the school may be treated as service qualifying for pension Similarly the Head master's service may count from the date of his taking charge of the school

The pay of these officers will in future be directly.disbursed from the treasury, and a corresponding reduction made in the monthly grant.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore
General & Revenue Departments

SIR,

With reference to Government order No 11698-99 Edn 113-06-4 of the 10th instant directing that the teachers employed in the School for the Deaf Mutes and the Blind may be treated as Govt servants and may be given the benefit of the Mysore Service Regulations, I have the honor to state that of the seven teachers on the staff one is already a Government servant lent to the School The Head Master will be treated as Government Servant with effect from the date of the order unless Government order that he be so treated from date of employment It seems to me that the Music teacher, Fiddle teacher

Sabala teacher, Weaving Industry and Rattan Work Instructor need not be treated as Government servants and admitted to the privileges of the Service Regulations as similar teachers in Industrial Schools are not treated as Govt servants in pensionable service. I request the orders of Government on this point.

2 The School gets a monthly grant of Rs125/- from the State Fund It is not clear whether the Grant should be continued at the present rate and the teachers receive their salaries from the Managers of the School as at present or it should be reduced by an amount equal to the salaries of the teachers placed in Government pensionable service and the salaries paid to them direct by the department, as is done in the case of Sankaranarayanappa whose services are lent to the School The most convenient course seems to be to increase the Grant by Rs 25/- which is the pay of Sankaranarayanappa and make the Managers disburse from the funds of the School the salaries to all the teachers who will be considered as lent to the School The orders of Government on this point also are requested

I have the honor to be
